

This Means War

Gloryful

Assemble my brothers, it's time
Get ready to fight
Our hero is lost
The goddess killed him with might
The barriers broke
Expect no mercy for man
Brothers unite - Ahough!
Encourage your heart

We honor our heroes
We won't step aside
We won't die alone
Together we ride

This means war

Into the horizon
We're running out of time
The world as we know it in chaos
About to decline
Our savior reborn a king
His glory will rise
Brothers unite - Ahough!
We are ready to die

We honor our heroes
We won't step aside
We won't die alone
Together we ride

This means war
