

O Holy Night

Go Radio

O Holy night
The stars are brightly shining
It is the night
Of our dear Saviour's birth
Long lay the world
In sin and error pining
Til he appeared
And the spirit felt its worth
A thrill of hope
The weary world rejoices
For yonder breaks
A new and glorious morn

Oh and fall on your knees
Oh and hear the angel voices
Oh and night divine
Oh night when Christ was born

And led by the light
Of faith serenely beaming
With glowing hearts
By His cradle we now stand
All the world a star
And this star sweetly gleaming
Now come the wise men
Out of the Orient land

La la la
La la la la la la la
(La la la)
(La la la la la la la)

Oh and fall on your knees
Oh and hear the angel voices
Oh and night divine
Oh night when Christ was born

Oh night
Divine
Oh night
And oh fall on your knees
Oh God can you hear
The angel voices
Oh night
Divine
Oh night
When Christ was born
