

Why I'm Home

Go Radio

And I could paint you pictures all night long and tell you tale
s how every
song
Is to let you know that you're the reason why I'm home
Or I could quote a page of poetry to show you what you mean to
me
And we'd go falling somewhere faster knowing we don't want to e
ver fall
at all

Just don't think that this will be easy saying that you love me
When lying tongues are clumsy
And don't speak when one more word would kill me saying that yo
u love
me
When lying tongues are clumsy

But who am I to say that every breath we take won't be another
pointless
kiss we gave away
When what we love we burn it's from the ashes that we yearn
To be the phoenix that rises up from the flames

And I could paint you pictures all night long and tell you tale
s how every
song
Is to let you know that you're the reason why I'm home
