

Ray Of Sunshine

Go Sailor

Her melody wants her desperately
Cried only tears, 'cause she so far from here

She's a ray of sunshine
My only ray of sunshine

Yellow hair, far away stare
Nothing's right, 'cause she's not here tonight

She's a ray of sunshine
My only ray of sunshine

I know that I'm going nowhere
I wish that she'd come back to me
She's all I need, she's all I need
All I need to end my misery

She's a ray of sunshine
My only ray of sunshine
She's a ray of sunshine
My only ray of sunshine
