Chaos Arcane

Goatwhore

Chaotic void
An ancient force
Bestowed with cruelty
Spreading this malice

Stillness of midnight, the silence crawls Looming clouds, like the raven's wings

Chaos arcane, from the abyss i shall be born Chaotic reign, bathed in blood i shall destroy

Infectious anger Spreading panic Strife of the damned Conguers resolve

Your promise has fallen, rapture of charred praise Foreshadowed faith, the aftermath of despair

Chaos arcane, from the abyss i shall be born Chaotic reign, bathed in blood i shall destroy

Contagious weakness
These souls of man
Victims of worship
Mislead redemption
Abandoned order
Eroded sentient
All hope has gone
Catastrophe reigns

Absolute ruin, of all that's profound, overcome with fright, dissolving prid e

Nourishing the hate, residing in fear, tearing away worth, existence ends

I am the messenger Demonic bearer of this madness Harbinger of desperation Defiant to this will of god

Banished from scriptures to be forgotten Crowned in the blessings of apocalypse

I am this chaos
The crawling fear strangling the spine
Architect of all misery
Emptiness of failed belief

Absolute ruin, of all that's profound, overcome with fright, dissolving prid $\ensuremath{\mathrm{e}}$

Nourishing the hate, residing in fear, tearing away worth, existence ends

Moral confines Shattered defeat Numbing bitterness Grasp of death Haunting outcome Resides in man
Darkest instinct
Risen from the godless
