

72 Hour Hold

God Lives Underwater

I lost some time I wasn't on vacation
I lost my mind like a hundred times before
Unlike the time I spent in Pasadena
They tied me down and then they closed the door

What did I do to deserve this
Oh yeah, I did some stupid things
Locked down in a 72 hour hold
I'm not, I'm not
A threat to myself or to others
I'm not, I'm not
A threat to myself or to others

They let me out and said, "keep your nose clean"
They whispered to themselves "he can't stop"
I told them thanks for all of the encouragement
And I'm just stuck with what I knew I got

What did I do to deserve this
Oh yeah, I did some stupid things
Locked down in a 72 hour hold
I'm not, I'm not
A threat to myself or to others
I'm not, I'm not
A threat to myself or to others

What did I do to deserve this
Oh yeah, I did some stupid things
Locked down in a 72 hour hold
I'm not, I'm not
A threat to myself or to others
I'm not, I'm not
A threat to myself or to others
I'm not, I'm not
A threat to myself or to others
I'm not, I'm not
A threat to myself or to others
