

If I Could Only Be What You Want

Godflesh

Why can't I be what you want
Why can't I feel what you want
Though I give you what you want
If only I could be what you want

But I hold you like you want, you want
Though I hold you like you want, you want
I can never be what you want, you want
I can never be what you want, you want

I can never be what you want, you want
Why can't I be what you want, you want
What if I give you what you want, you want
Then I hold you like you want, you want

I can't give you

I can't be
