Godflesh

Like your son  
Good for nothing  
Like your son  
Wear your mask  
Do it right  
No need for you  
Given birth  
It was right for you  
Like your son  
Good for nothing  
Like your son  
Wear your mask  
Do it right  
No need for you  
Given birth  
It was right for you  
It was right for you  
It was right for you  
  
It was right for you
