There's rain on the mountain A white frost on the moors It's an epoch of eternity Waters touch the holy shore

It's a land of mystery
The world of unseen eyes
You can feel the shadow of a princess
She waits for you inside

The guardians of God play the pawns Beg for mercy - hail the queen Princess of the Dawn

In the war of the dragons Young blood ran it's course They fell to his blade The knight Iron Horse

A forgotten priest Disappearing in the haze A chamber of vestal virgins Twilight is her slave

The Wizard of Oz moved the pawns Life for satan - dust to dust Princess of the Dawn

On the day of the testament The seventh moon was raging fire Heaven cried for the sacrifice The midnight sun was rising higher

The Beauty and the Beast Lies in her royal crypt Her kiss is bitter sweet Death upon her lips

The Holy Grail held the pawns Kings and bishops bow to grace Princess of the Dawn

The guardians of God play the pawns Beg for mercy - hail the queen Princess of the Dawn

A new day dawns for heaven and earth
A first sunbeam is killing the night
Once upon a time for ever more
The gloom with the spirit of that Lady in White

Princess - Princess - Princess of the Dawn Princess - Princess - Princess of the Dawn Princess - Princess - Princess of the Dawn Princess - Princess - Princess of the Dawn
