

Letter to Castro (Costumes for Tonight)

Gogol Bordello

Three days on horseback
And I am in town
Let's see what kind of hats
They are wearing now

Where to stick hair-combs,
And where to stick shades
I have no socks
Over the pants

Got a job
to pay for all my sins
Tearing off [wrong] pages
From porno magazines

Boy you can do
Better than that!

(She had a hiccup!)

[Russian]

She had a hiccup!

I got a belt!

I got a lotta!

Sah-to, Sah-to!
Sah-to, Sah-to!
Sah-to, Sah-to!

Brush the floor you country girl
Let those pigtails swing around!
Look at me I am a fine boy
I work hard on costumes for tonight

[Russian]

And a-one
In a ditch
There's always some post-modernist [rescue]
BITCH!
Sah-to
Sah-to
Sah-to, Sah-to

Brush the floor you country girl
Let those pigtails swing around!
Look at me I am a fine boy
I work hard on costumes for tonight

For tonight!

Brush the floor you country girl

Let those pigtails swing around!
Whoa-whoa-whoa-whoa can you take it?
I work hard on costumes for tonight

I work hard on costumes this night

Night

Night

Get yourself another Russian girl.
