

Unvisible Zedd

Gogol Bordello

Little lady, alone in her house
She is preparing for a-bed
Little does she know
Little does she know
She is in the house with Unvisible Zedd
Little does she know
Little does she know
She is in the house with Unvisible Zedd

Little lady, in her kitchen
She's bending over, over frying pan
Little does she know, while she is bending over
She is strip teasing for unvisible man
Little does she know, while she's bending over
She is strip teasing for unvisible man

Lady, lady, alone in her bedroom
She's watching program on Klu Klux Klan
Little does she know, while she is yawning
She's orally pleasing the unvisible man
Little does she know, while she is yawning
She's orally pleasing the unvisible man

Little lady, in her tub
She's nearly honoring in her world
Little does she know
Little does she know
Inside of her there is invisible sperm
Little does she know
Little does she know
Inside of her there is invisible sperm

Lady, lady alone in her house
She's tied down and let us see
Little does she know
Little does she know
She's giving a-birth to new Unvisible Zedd
