

When I Was a Little Spy

Gogol Bordello

When I was a little spy
Supernatural 'n' infantile
I learned well how to hide
I learned well how to hide
When I was a little spy
Super Natural and infantile
I was an expert on her
And a thousand of her skirts
Yeah a thousand of her skirts
That I loved so much to explore
Hodim po shelkovitzu
For I yet could not touch
All I could was watch and watch
