

## Angelina

### Golden Earring

The sunset sky... reminds me of the days we've left behind  
You were more than just a friend to me... but now it's over

But I still care and it hurts me so to see you unaware  
That heaven's love is reaching out to you

Open your eyes  
Oh tell me...

Angelina  
You're running away from God's eternal life  
Oh, can't you see it?  
Angelina  
He's just a prayer away

Days move by He waits for you He longs to heal your heart  
And hold you in his loving arms so strong  
Foreverafter Love lives on... nothing can take you away if you  
belong  
When you've been touched and then consumed by God

You're right where you belong  
Oh tell me...

Angelina -  
You're running away from God's eternal life -  
Oh, can't you see it? -  
(Can you feel it?) -  
Angelina -  
He's just a prayer away.
