

## Dream

## Golden Earring

Suppose she will love me  
Yeah I feel fine  
'cause there's nothing in the world  
That will change my mind  
I can't stand to feel the pain  
That she walk away  
That it's all in vein  
But when I awake  
I look outside  
Now it feels cold everywhere  
Can't find my pride  
She just lived a simple dream  
And she doesn't know  
What she means to me  
It's just a dream  
A dream to have her  
This dream to which we fall in love  
And it will stop the moment  
And then it's real  
It's funny how you know what you feel
