Suppose she will love me Yeah I feel fine 'cause there's nothing in the world That will change my mind I can't stand to feel the pain That she walk away That it's all in vein But when I awake I look outside Now it feels cold everywhere Can't find my pride She just lived a simple dream And she doesn't know What she means to me It's just a dream A dream to have her This dream to which we fall in love And it will stop the moment And then it's real It's funny how you know what you feel
