

## Heartbeat

### Golden Earring

It's move groove, move movin' inside of me  
With a steady beat, I repeat steady beat  
My little muscle man, little power-plant, don't step on it  
Nothin' to compete, with that piece of meat, so complete

Here comes your doctor Moore  
Best one you can afford  
The good doctor's remedy  
Don't need no education  
Don't need no dedication  
But I need my heartbeat

After makin' love next to me, I can feel your heartbeat  
I love that motor drive, just for keepin' you alive  
Mine's big enough and bad enough for the two of us  
It's a dynamo, it's ruthless

Here comes your doctor Moore  
Best one you can afford  
The good doctor's remedy  
Don't need no information  
Don't need no conformation  
But I need my heartbeat

It's move groove, move movin' inside of me  
With a steady beat, I repeat steady beat  
My little muscle man, little power-plant, don't step on it  
Nothin' to compete, with that piece of meat, so complete

Here comes your doctor Moore  
Best one you can afford  
The good doctor's remedy  
Don't need no imagination  
Don't need justification  
But I need my heartbeat
