

Justin time

Golden Earring

I Justin Time
I get to shake my both hands with you
Justin Time
I wanna honor graf and all life's bud
I'm a believer
And I love your style and the way you move

And I I I I
I got nothin' to prove
Got no time to lose
Justin Time oh

Hate me bound
I bear my crazy stubborn head
Be my partner in crime
Baby, Justin Time
I get to know you more or less

And I I I I
I got nothin' to prove
I got no time to lose
I I I I
I got nothin' to prove
I got nothin' to lose

Justin Time
Justin Time
I'm standin' in line and I'm waitin' in the night to get close to you
Justin Time
I apologize
Sacrifice
And lie for you

I Justin Time
I draw the clock and I'm waitin' for you
I Justin Time
I put a shine on the alligator shoe
I'm a believer

And I I I I
I got nothin' to prove
I got no time to lose
And I I I I
I got nothin' to prove
I got nothin' to lose

Justin Time
Justin Time
I'm standin' in line and I'm waitin' in the night to get close to you
Justin Time
I apologize
Sacrifice
And lie for you

Justin Time
I'm standin' in line and I'm waitin' in the night to get close to you
Justin Time

I apologize
Sacrifice
And lie for you

Justin Time
I apologize
Sacrifice
And die for you
