

## Move Over

## Golden Earring

You say that it's over babe  
You say that it's over now  
But still you hang around me, come on  
Won't you move over

You know that I need a woman  
You know that I need a girl  
But when I ask you to, you just tell me  
Leave me be again

Please don't you do it to me babe, no  
Please don't you do it to me  
You can take this love I offer, or let me be

I ain't quite ready for walkin'  
I ain't quite ready for walkin'  
What's a poor boy gonna do without  
Without this thing I'm in

Ah, make up your mind  
Darlin' you're playin' a fool  
Make up your mind  
You're playin' a fool  
No need to play my lovin', woman  
Every one is lovin' me

You say that it's over babe  
You say that it's over now  
But still you hang around me, come on  
Won't you move over

You know that I need a woman  
You know that I need a girl  
But when I ask you to, you just tell me  
Leave me be again

Please don't you do it to me babe, no  
Please don't you do it to me  
You can take this love I offer  
Or let me be your girl, oh let me be you're girl

I want you to let me be  
Honey you're teasing me  
Girl you're playin' with my heart, babe  
You're toying
