

No For An Answer

Golden Earring

Hey operator, get me Valerie on the phone
Hey operator, I want Valerie on the phone right now
Mister navigator, I want location exact
Of where my Valerie's at
I see dials turnin'
I see a lighthouse burning
Nothin' happenin' yet, nothin' happenin' so far

Revelator, do your thing for me
Divine oracle, do your thing for me and my gal
I've been around the world

Yeah, hey operator, what's that you said to me
Hey operator, you can't say that to me
I see dials turnin'
I see a lighthouse burning
Nothin' happenin' yet, nothin' happenin' so far
I won't take no for an answer
Valerie is gonna say yes to me
Sweet, sweet Valerie,
She's gonna say yes to me
