Nomad

Golden Earring

Gone, with the northern sun 'cross that far horizon World of a thousand faces I can't find my oases There's a black ice in the sky And wells are runnin' dry Doomed to voyage till life's end Load up, strike campaign

Gone, along the highway ribbons Past city dwellings I can see how far they are From the stickers on their cars But I'm a nomad Can't look far ahead It's a voyage till life's end Load up, strike campaign

Doomed to travel till life's end Load up
