This Is The Other Side Of Life

Golden Earring

Don't let your head hang down Try to raise it up to the sky This is life my friend I know it ain't far from dying Don't hide in mist all day and night To fade your scars and pain away The world is glass my friend Look at the other side of life today

Don't let your head hang down Try to raise it up to the sky This is life my friend I know it ain't far from dying Don't hide in mist all day and night To fade all the scars and pain away The world is glass my friend Look at the other side of life today
