

Twilight Zone

Golden Earring

Somewhere in a lonely hotel room
There's a guy starting to realize
That eternal fate has turned it's back on him.

It's 2am....
It's 2 am (it's 2 am)
The fear is gone (the fear is gone)
I'm sitting here waiting (sitting here waiting)
The gun's still warm (the gun's still warm)
Maybe my connection
Is tired of taking chances

Yeah, there's a storm on the loose
Sirens in my head
Wrapped up in silence
All circuits are dead
Cannot decode
My whole life spins into a frenzy

Help I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My becaon's been moved
Under moon and star
Where am I to go
Now that I've gone too far
Soon you will come to know
When the bullet hits the bone
Soon you will come to know
When the bullet hits the bone

I'm fallin' down a spiral
Destination unknown
Double-crossed messenger
All alone
Can't get no connection
Can't get through where are you?

Well the night weighs heavy
On his guilty mind
This far from
The border line
When the hitman comes
He knows damn well he has been cheated

Help I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My becaon's been moved
Under moon and star
Where am I to go
Now that I've gone too far
Soon you will come to know
When the bullet hits the bone
Soon you will come to know
When the bullet hits the bone
When the bullet hits the bone
When the bullet hits the bone

Help I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My beacons been moved
Under moon and star
Where am I to go
Now that I've gone too far
Soon you will come to know
When the bullet hits the bone
Soon you will come to know
When the bullet hits the bone
When the bullet hits the bone
When the bullet hits the bone
When the bullet hits the bone
