Vanilla queen

Golden Earring

Fascinating lady
Snowflake in the sun
You make me feel so bourgeois
Oh, you've captured everyone

I hear you've been a dancer At some famous Paris show And million dollar lovers Neatly saw you to your door

Nineteen fifty seven Sweetheart of the year Secret of your beauty Was your moontan and your fear

And now you run this city You're still a honey to the flies Attract the incrowd dandies Faraway-look in their eyes

You're the bright, nocturnal Vanilla Queen Your mask is sterile dignity Tell me why, nocturnal Vanilla Queen You haunt me, even in my dreams

It couldn't be avoided
We were bound to meet
I knew you would drag me down
And toss me off my feet

Sweet moments of desire Sweet moments of relief You blew down my fences Oh you're natural make-believe

You're the bright, nocturnal Vanilla Queen Your mask is sterile dignity Tell me why, nocturnal Vanilla Queen You haunt me, even in my dreams

You're the bright, nocturnal Vanilla Queen Your mask is sterile dignity Tell me why, nocturnal Vanilla Queen You haunt me, even in my dreams
