

## Bury Me

Goldfinger

I'm so tired wishing I was miles away from you  
I'm so tired imagining the ways that I'd kill you  
I can't stand another day in my life  
I can't stand another day

So pay another ticket  
Take another pill  
And bury me  
It's hard to say I love you  
But it's hard to say goodbye  
So bury me  
Bury me

I'm so tired of hurting myself but I can't hurt you  
I'm leaving a trail of misery protecting you  
I can't stand another day in my life  
I can't stand another day

So pay another ticket  
Take another pill  
And bury me  
It's hard to say I love you  
But it's hard to say goodbye  
So bury me  
Bury me  
Bury me

I can't stand another day in my life  
I can't stand another day

So pay another ticket  
Take another pill  
And bury me  
I know I said I love you  
So I guess this is goodbye  
So bury me  
Bury me  
I know everything's my fault  
So bury me  
I know everything's my fault  
So bury me  
Bury me  
Marry me
