1. You're cynical and beautiful, you always make a scene

A

You're monochrome delirious, you're nothing that you seem

Em

I'm drowning in your vanity, your laugh is a disease

A

C G

You're dirty and you're sweet, you know your everything I need

F A2 C G

R: Everything you are

F A2 C G

Falls from the sky like a star

F A2 C G

Everything you are

F A2 C G Em

Whatever ever you want

2. I wanna kick at the machine, that made you piss away your dreams

And tear at your defenses, till there's nothing there but me

You're angry when you're beautiful, your love is such a tease

I'm drowning in your dizzy noise, I wanna feel you scream

R: Everything you are...
