

## **Hardsores**

**Goo Goo Dolls**

I don't know what you want  
You and your silly stomp  
You shake your back for me  
Then wish that you were dead  
And every single time  
You blow your silly mind  
With more laughing glue  
I don't know who you are  
I don't see any proof  
You got a filthy trick  
Then get a filthy dick  
And every time you wait  
You have to masturbate  
Oh, you know it well  
Wait, don't stop!

And now I'm done with this  
And it's so viscious  
You criticize my view  
Then criticize my 'tude  
But there's just one thing  
That I'm interested in,  
Oh, what's into you!
