

## **Livin' in a Hut**

**Goo Goo Dolls**

I've got an ugly liver from drinking too much  
I've got painful sliver from thinking too much  
Oh, I don't want to go on livin' in this rut  
Oh, I think I'll go out and build me a hut but  
Curiosity has got me  
Tied up right back where it wants me  
And all the things that you will do  
Make me think I haven't got a clue

I've got a real good sense for seeking out the booze  
But I can't afford to buy a pair of shoes  
And when I get some cash it's already been spent  
Oh, I can smoke and drink but I can't pay my rent

I've got an ugly liver from drinking too much  
I've got painful sliver from thinking too much  
Oh, I don't want to go on livin' in this rut  
Oh, I think I'll go out and build me a hut but

Curiosity has got me  
Tied up right back where it wants me  
And all the things that you will do  
Make me think I haven't got a clue
