

Nothing Is Real

Goo Goo Dolls

Hey, anybody in this world
Can you talk to me a while, Find a reason for it all?
Cause I've been thinking backwards, to a place I've never been
to a home that never was, It's like I'm losing it again
and it takes so long to say these words
Can you wait that long for me?

Hey, nothing is real, it's all what you believe
Something you dream inside your head
You know how I feel because it's just you and me
Something I need to call my own
To feel and call my own

Duck inside this empty room,
and I'm waiting for the sun to come to me
Someday, I'm gonna get this right
Gonna find a better way, I wanna lead another life

I wanted to let you know me,
but I'm trapped inside the fear
and I never said a word though you always seemed to hear

When I take so long to say these words,
yeah, you wait so long for me

Hey, nothing is real, it's all what you believe
Something you dream inside your head
You know how I feel because it's just you and me
Something I need to call my own
To feel and call my own

Hey, nothing is real, it's all what you believe
Something you dream inside your head
You know how I feel because it's just you and me
Something I need to call my own
Nothing is real, it's all you believe
Something you dream inside your head
Nothing is real, it's all what you believe
It's something I need to call my own
To feel and call my own
