Hey, anybody in this world

Can you talk to me a while, Find a reason for it all?

Cause I've been thinking backwards, to a place I've never been to a home that never was, It's like I'm losing it again and it takes so long to say these words

Can you wait that long for me?

Hey, nothing is real, it's all what you believe Something you dream inside your head You know how I feel because it's just you and me Something I need to call my own To feel and call my own

Duck inside this empty room, and I'm waiting for the sun to come to me Someday, I'm gonna get this right Gonna find a better way, I wanna lead another life

I wanted to let you know me, but I'm trapped inside the fear and I never said a word though you always seemed to hear

When I take so long to say these words, yeah, you wait so long for me

Hey, nothing is real, it's all what you believe Something you dream inside your head You know how I feel because it's just you and me Something I need to call my own To feel and call my own

Hey, nothing is real, it's all what you believe
Something you dream inside your head
You know how I feel because it's just you and me
Something I need to call my own
Nothing is real, it's all you believe
Something you dream inside your head
Nothing is real, it's all what you believe
It's something I need to call my own
To feel and call my own
