1. Could you whisper in my ear
C
The things you wanna feel
G
I'd give you anythin'
To feel it comin'
E **D**
Do you wake up on your own
C
And wonder where you are?
G
You live with all your faults

I wanna wake up where you are

I won't say anything at all
C G
So why don't you slide
C
Yeah, I'm gonna let it slide
2. Don't you love the life you killed?
The priest is on the phone
Your father hit the wall
Your ma disowned you
Don't supposed I'll ever know
What it means to be a man
It's somethin' I can't change
I'll live around it

I wanna wake up where you are

I won't say anything at all
So why don't you slide
Ooh, slide
- C** **G**
R: And I'll do anything
C **G**
You ever dreamed to be complete
C **G** **D**
Little pieces of the nothin that fall
E
Oh, May
D
Put your arms around me
C
What you feel is what you are
G
And what you are is beautiful
C
Oh, May
D
Do you wanna get married
C
Or run away?
