1. Don't take much lookin' back to know I took my coffee black
then

C5 **B5** **F5** **G5**
Nothin's different now but nothin' seems the same and it's a
lright.

2. Your optimistic views your hundred dollar running shoes and
Carpel tunnel syndrome we all had a laugh about it

F5 **G5** **F5** **G5**
*: I'd love to stick around but I gotta tell you all

C5
R: So long
F5 **C5 F5** **C5 F5**
Oh so long, oh so long
B5 **G5**
But I didn't wanna tell you all so long

3. Don't take much lookin' back to know I faked that heart attack then
And nothin's different now but nothin' seems the same and it
's alright

4. You always spoke the truth from circa disco Abba boots and
All that showbiz talk, oh we all had a laugh about it

*: I'd love...

R: So long...

Oh so long, oh so long
But I didn't wanna tell you all so long

F5 **G5** **C5**
I gotta get back to where I belong

R: Long...

R: So long...
