Goo Goo Dolls

Em C A2 (2x)

Em **C** **A2**
1. When you came back I knew you'd have a story
Em **C** **A2**
You need someone to ease the pain of living life
Em **C** **A2**
You're like a soldier in the fray seeking shelter
Em **C** **A2**
From all the madness that you've seen, raining down now

C **D** **G**
R: I know things change, your world has slipped away
C **D** **G**
I know things change, you're living like a
C **D** **G**
Soldier caught in the fray
Bm **C**
Don't lose your faith
D **Em**
It's not so cold, it's not too late

Em C A2 (2x)

2. When you were naive you were so invincible
And you laughed at anyone and anything that ever got in your way
But now the mirror shows the change, and you don't see that
You're sinking back into the crowd, an echo faded

R: I know things change...

F#m **D**
*: And I never thought I'd see
Bm
You living on your knees
Asdim
A slave to some disease

That holds you captive
F#m **D**
And you can look inside of me
Bm
But the answers that you seek
Asdim
And everything you need

Is all inside you
