

Up Yours

Goo Goo Dolls

- G5** **C5**
1. Up yours stop your whinin'
- G5** **C5**
Feeling swell I'm doing fine
- D5** **C5** **D5** **C5**
R: Fuck your suicide its all bull shit cuz I tried
- Bm** **C** **D**
And it really dont impress me all that much
2. Up yours what d'you find
Sit right down I got time
- R: And you say there comes the end and you haven't got a friend
And I'm standing here just screamin at the wall
3. Up yours stop your whinin'
What have you got I got mine
4. And you shake your stupid head and you wish that you were dead
But I swear sometimes your happier then me
- Em** **D5** **C5**
*: And you know its hard to be
- Em** **D5** **C5**
All the things you want me to be
- Em** **D5** **C5**
And then you go and make it hard on me
- Em** **D5**
But I swear that
- C5**
Anything you could be I could be can't you see
5. Up yours got no mind
That's too bad, you got time
- R: And you say...
