

What Do You Need?

Goo Goo Dolls

What do you need from me tonight
I feel you look right through me now
I can't pretend it's alright
Maybe we'll find a way somehow

Why do we need to turn it on
Why does it always feel so wrong

What do you need from me tonight
The truth is so complicated now
You feel so free to say
You're wrong, you're wrong
You're wrong, you're wrong

Fear makes you fragile darling
Hate is so heavy when you're weak
Now we're both lost in anger
When we're alone we'll
Find some peace

Why do we need to turn it on
Why does it always seem so wrong

What do you need from me tonight
The truth is so complicated now
You feel so free to say
You're wrong, you're wrong [Repeat: x4]

Why do we need to turn it on
Why does it always seem so wrong

What do you need from me tonight
The truth is so complicated now
You feel so free to say
You're wrong, you're wrong
You're wrong, you're wrong

What do you need from me tonight
The truth is so complicated now
You feel so free to say
You're wrong, you're wrong [Repeat: x7]

Why do we need to turn it on
Why does it always seem so wrong
