I wanna know

Gm F#

the truth if this is how you feel

Gm

say it to me

F#

if this was ever real

F# Gm

R: I want the truth, from you.

F# C#

give me the truth, even if it hurts me.

F# Gm

I want the truth, from you.

F# C#

give me the truth, even if it hurts me.

2. I want the truth, so this is you
you're talking to me
you found a million ways to let me down
so im not hurt when you're not around
I was blind
but now I see
this is how you feel
just say it to me
if this was ever real

R: I want the truth...

3. I know that this will break me
I know that this might make me cry
you gotta say what's on your mind,
on your mind
I know that this will hurt
break my heart and soul inside
I don't wanna live this lie

R: I want the truth...

I don't care no more no
just give me the truth, give me the truth,
cause I don't care no more
give me the truth,
cause I don't care no more, no
give me the truth,
give me the truth,
give me the truth,
give me the truth,
give me the truth,
cause I don't care no more, no
