

Broken Into Better Shape

Good Old War

The darker the night, the brighter the stars
everything's fun to a young heart
and you find out what your heart used to be
it's going to feel like you've been dreaming

Love, if you want the truth,
anything's possible.
You can walk upon the moon,
or you can watch it roll.
It's never in the stars, it's in your heart.
Yeah, you'll be kicked around,
but get up anyway.

You'll be broken into better shape.
Broken into better shape.

I was one more mistake from losing it all.
Everything I'd ever worked for,
things can go wrong when they should be right,
and it can haunt you the rest of your life.
If you let it,
it will let you down.

Love, if you want the truth,
anything's possible.
You can walk upon the moon,
or you can watch it roll.
It's never in the stars, it's in your heart.
Yeah, you'll be kicked around,
but get up anyway.

You'll be broken into better shape.
Broken into better shape.
When the pieces rearrange.
You'll be broken into better shape.

Love, if you want the truth,
anything's possible.
You can walk upon the moon,
or you can watch it roll.
It's never in the stars,
it's in your heart.
Yeah, you'll be kicked around,
but get up anyway.

You'll be broken into better shape.
Broken into better shape.
Let the pieces rearrange.
You'll be broken into better shape.
