

Be That Man

Goran Bregović

Trickster and Seductress we
Tapdancing on mine field every day...
in volatile sway...

young and freud would kill each other over us,
yet somehow we just say...
on our way...

and quiet dunay flows...
secretly wind blows,
ooooh

you can love me less,
ohhhhh
you can love me more,
tomorrow
it's a lady's choice, baby
ohhh, ohhh, ohh, you can,
but i'll always be that man
chup chup chup chup churu
yeah, yeah, yeah...
yeah, yeah, yeah...
be that man...

like a film you've never seen,
yet missing every single scene so bad,
and roles we led...
like a song you dont understand,
yet you always wanna play again,
again and again...

oh quiet dunay flows...
secretly wind blows,
ohhh

you can love me less,
ohhhhh
you can love me more,
tomorrow
it's a lady's choice, baby
ohhh, ohhh, ohh, you can,
but i'll always be that man
chup chup chup chup churu
yeah, yeah, yeah...

you can love me less,
ohhhhh
you can love me more,
tomorrow
it's a lady's choice, baby
ohhh, ohhh, ohh, you can,
but i'll always be that man
chup chup chup chup churu
yeah, yeah, yeah...
yeah, yeah, yeah...
be that man...
