

Axe To Mouth

Gorgasm

Straight blast cum on broken teeth
Spewing chunks of torn flesh Open
Face for my display With my cock
Inside her ass Axe to mouth
Cock covered in shit Face split in
Disgust This bitch I use to bury the
Ax Tight grip smash her face in half
Carve a smile from ear to ear Force-
Fed blade of shiny steel Permanent
Smile for me to see. Face laid open next
To me. Steaming slop of facial meat.
Shove my cock through broken teeth.
