

## Of Ice And Movement...

Gorgoroth

When you stay low nothing happens  
Does it feel right?  
Late at night  
Things I thought I put behind me  
Haunt my mind  
I just know there's no escape  
Now once it sets its eyes on you  
But I won't run, have to stare it in the eye  
Stand my ground, I won't give in  
No more denying, I got to face it  
Won't close my eyes and hide the truth inside  
If I don't make it, someone else will  
Stand my ground  
It's all around  
Getting stronger, coming closer  
Into my world  
I can feel  
That it's time for me to face it  
Can I take it?  
Though this might just be the ending  
Of the life I held so dear  
But I won't run, there's no turning back from here  
Stand my ground (repeat)  
All I know for sure is I'm trying  
I will always stand my ground  
Stand my ground (2x)
