

Das Martyrium Des...

Gorguts

"...Immortality is that realization of an absolute freedom in self-source, and a concomitant and inescapable necessity in a ubiquitous immediate as the epitome of the lesser mysteries..."

Disentanglement from flesh's captivity
Freedom's lair, soon, I will reach
Unlock the ultimate gate to perpetuity
Mortal's lair, soon, I will leave

Disembodiment from tangibility
Immortal, soon, I will be
Fearless, I cross the gate to pure eternity
Blinding light, soon, I will see

Lucid pain
Brings the gift
From this earth
I shall drift

Tied... facing the archers
Pierced... bleed with rapture

Rise... towards splendors
Feel... divine grandeurs

Disentanglement from flesh's captivity
Freedom's lair, soon, I will reach
Unlock the ultimate gate to perpetuity
Mortal's lair, soon, I will leave

Tied... facing the archers
Pierced... bleed with rapture
