

Sunrise

Gosia Andrzejewicz

I can help myself
I`m lost in you
i shiver all inside

I would never thought to touch the sky
Cause sunrise makes my wild
Feel the beat
And free your soul

It`s time to make some noise
Put your hands together, And
Let`s get started sunrise now

ref.
Everybody have some fun
Beats of sunrise make you wild
We are gonna dance and jump
Yes Jump
Jump, Jump, Yes

Put your hands up
In the sky
Beats of sunrise make you wild
Everybody loves to jump
Yes Jump
Jump, Jump

I can help myself
I`m lost in you
i shiver all inside

I would never thought to touch the sky
Cause sunrise makes my wild
Feel the beat
And free your soul

It`s time to make some noise
Put your hands together, And
Let`s get started sunrise now
