

What Cha Really Wanna

Gosia Andrzejewicz

Love was here 3x

If you really wanna be with me for so long
Please open your mind so truly
Do you really wanna take my hand or let it go?
If you really wanna be with me for so long
Please open your mind so truly
Do you really wanna take my hand or let it go?
what cha really want?
take my hand or go?
What cha really wanna?

Please open your mind so truly
