

Tell Me

Gotthard

Tell me that you love me
Tell me that you do
Tell me I'm the only one
Tell me that it's true

Tell me that you miss me
Tell me that you care
Tell me that you'll wait for me
Tell me you'll be there

Cause I'm fading out into white
All I need is this love for a life
And no matter how far,
Wherever you are
Tell me that you love me,
I need it for my heart

Tell me that you need me
Tell me that you're mine
Tell me that you want me
Tell me we'll be fine

Tell me I'm your only dream
Tell me I'm your life
Tell me you believe in me
Tell me with your pride

Cause I'm fading out into white
All I need is this love for a life
And no matter how far,
Wherever you are
Tell me that you need me,
I need it for my heart

Tell me, tell me that you need me
Tell me that you need me
I need it for my heart

Tell me that you love me,
I need it for my heart

Tell me that you love me
Tell me that you love me
