

# Full Moon Man

Grace Slick

No wind blows.  
As silky as my Full Moon Lover moves.  
In the idle wilds of summer breezes.

No love grows.  
Any warmer than his fireside eyes.  
Oh midnight with a lover.  
When the season pleases.

And he asks me why .  
Why do you think you need me?  
And what do you see  
When you look straight through me?

And I said Full Moon Man.  
You are a long lasting lover.  
And I'll be running with you.  
Ah even if you wanna run forever.

Like a clear mountain stream  
Going all the way down  
To the soft green meadow clover.

Floating on a river there.  
Oh oh that'll never go under  
Because you'll never be over.

On no wind blows.  
As silky as my Full Moon lover moves.  
In the idle wilds of summer breezes.

No no loves grows  
Any warmer than his fireside eyes.  
Ah midnight with a lover.  
When the season pleases.

And he asked me why.  
Why do you think you need me?  
And what do you see when you look straight through me?  
And I say Full moon Man  
You are a long lasting lover.  
And I'll be running with you  
Even if you wanna run forever.

On love rolls on forever.  
Love rolls on.  
Love rolls on forever.  
Sweet love, love forever.  
Till we can see our love forever.  
Until our love rolls on and on.  
Till we can see our love forever.  
Until our love rolls on and on.  
Till we can see our lover forever.  
Until our loves roll on and on.  
Till we can see our love forever.

Forever
