

# We Built This City

Grace Slick

Say, "You don't know me or recognize my face"  
Say, "You don't care who goes to that kind of place"  
Knee deep in the hoopla sinking in your fight  
Too many runaways eating up the night

Marconi plays the Mamba, listen to the radio, don't you remember  
We built this city, we built this city on rock and roll  
We built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll

Someone always playing corporation games  
Who cares they're always changing corporation names  
We just want to dance here, someone stole the stage  
They call us irresponsible, write us off the page

Marconi plays the Mamba, listen to the radio, don't you remember  
We built this city, we built this city on rock and roll  
We built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll

It's just another Sunday, in a tired old street  
Police have got the choke hold, oh, then we just lost the beat

Who counts the money, underneath the bar  
Who rides the wrecking ball in two rock guitars  
Don't tell us you need us, 'cos we're the ship of fools  
Looking for America coming through your schools

Don't you remember  
( 'Member, 'member)

Marconi plays the Mamba, listen to the radio, don't you remember  
We built this city, we built this city on rock and roll  
We built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll

(We built, we built this city)  
Built this city  
(We built, we built this city)  
(We built, we built this city)  
Built this city  
(We built, we built this city)

(We built, we built this city)  
Built this city  
(We built, we built this city)  
(We built, we built this city)  
Built this city  
(We built, we built this city)
