Bb F (3 times) C G G С I've got a lady doctor She cure da pain for free С G Bb I've got a lady doctor Oh there ain't nothing wrong with me. С I went in with a heart burn into the surgery To my surprise two pretty eyes was running up and down me. Said now be a patient patient stretch right out on that couch Help yourself to the pills cure your ills F Bb G I'm never gonna square it on out.

Well all the cats said go see her it's only just down the road You go in with pneumonia come out with just a heavy cold She won't give you no jargon no medical how-do-you-do Well just get right down under that stethoscope Baby let that lady mess on with you.
