

More Questions Than Answers

Graham Parker

There are more questions than answers
Pictures in my mind that will not show
There are more questions than answers
And the more I find out the less I know
Yeah, the more I find out the less I know

I've asked the question time and time again
Why is there so little of a moment
But what is life, how do we live
What should we take and how much should we give

There are more questions than answers
There are pictures in my mind that will not show
There are more questions than answers
And the more I find out the less I know
Yeah, the more I find out the less I know

But what is life, how do we live
What should we take and how much should we give

There are more questions than answers
Pictures in my mind that will not show
There are more questions than answers
And the more I find out the less I know
Yeah, the more I find out ... the less I know
