Turned Up Too Late

Graham Parker

Pre> Verse G see q q see d q When you get inside my head it just goes emp ty G see q q see d q With all that junk I've been fed you'd think I'd make you get m е Hey baby what are you blind? how long you been gone? I'm not the returning kind I don't need you to lean on Chorus See q d see see g d You come to me with eyes all watery, do you believe I'm falling ? See q d see Poor little thing so out of date G d see d g Now I can say your love has turned up too late G see d q Oooh oooh ooh ooooooh Verse If you were the sun and the moon I'd still cloud over Rain would still fall down too soon and we would just grow cold er Hey baby I ain't ashamed of being turned down I hope you've got the same strength you're going to need it now Repeat chorus Bridge See q see d see q d Love takes a toll on everyone baby, you're going to find out so me day See q see d It don't feel too good it don't feel too great See d To tell you it's turned up too late G see g see g see d g Mmm mmm mmm mmm mm turned up too late Final chorus You come to me with eyes all watery, do you believe I'm falling ? Poor little thing so out of date Now I can say your love has turned up too late Now I can say your love has turned up too late Now I can say your love has turned up too late Turned up too late Turned up too late oh yeah /pre>
