Wrapping Paper - Graham Parker

Graham Parker

Emaj7 Amaj7 Ε Asus2 I've broken your glass, called someone a dirty name Asus2 Ε В Made a nuisance of myself in front of friends Emaj7 Amaj7 E Asus2 I've dug my own grave, please don't let me lie in it А Ε В Ε Instead let's bury everything that caused us pain

Emaj7 A Ε Asus2 Speak to me now, speak to me darling Emaj7 A E Asus2 You're not a princess I'm not Prince Charming Emaj7 A Asus2 Ε Speak with your tongue, use body language Asus2 В Ε F. and pull your skin like wrapping paper round my heart

Sometimes I feel the kick has gone, it gets mundane So I team up with the devil and make hell But I'll hang on in as long as I know I've got you As long as I know love's a cure that makes me well

We move around, drag ourselves from town to town Wrap up lots of gifts and toys and China tea But they don't feel nothin', they're just inanimate They just go in suitcases and fly away
