In this industry (Watch the devil)  
Like em' they don't like me (So whatever)  
That's just how it be (It's Rising Sun Records)

It ain't a problem that I can't fix  
Got DVD and navigation up in the whip  
So if a bird give me trouble  
Put her ass out on the double  
Give her bus fare and call it a day  
I don't play  
With these chicks who have conscience  
That's why my two-way got caller ID to block the chickheads knockin'  
So let's get it on, let's get it on  
What chu' sippin' on, something strong, something strong  
Grand Puba to the t-o-p  
Honey throwin' them curves like El Duque  
Came up from the food stamps to big shopping sprees  
I'm only speakin' French to chickenheads, oui oui  
Cause I was caught up in all this physical attraction  
Now I'm strictly Benjamin and Jackson  
It's all day, everyday we don't play  
Watch me and shorty blend like we Hen and Alize'

All day (Uh) all day (Every night)  
All day (We keep it tight) all day (Yeah, yeah)

Grand Puba got it, just like Sam Goody  
So let's go ahead and get this started  
Shorty gotta be a half a dub if I parted  
Equal to my whip because I only ride exotic  
If she not, watch me indo her when I do cotic  
WHOA! you OK  
Just get up cause we keep it movin' all day  
So what chu' waitin' on it's time to get it crunky crunk  
If the chicken off the wall and crackin' like they Humpty Hump  
I'ma put it on ya just thought I'd warn ya  
East Coast, Dirty, Midwest to California

I start, explore a hot broad like Ford  
Slap a H on my chest and then I handle it accord  
Didley, I be the nigga with the free  
If you can't use my mama comb I can't bring you home  
So hear me when I say  
We lay it down like big breads on top of Parkay  
Keep it fat like the FUBU clothes, hey hey hey
